3D-Outdoors Taxidermy Studio has been providing Taxidermy Art to Texas clients as well as national clients for over 12 years after learning from 2 Award winning taxidermist with over 40 awards in State and National taxidermy competitions. Brent has also studied under Minnesota state white tail and game head Masters division champion Jeff Morris of Big River Taxidermy in Lansing, Iowa. 3D-Outdoors is Located approx 25 miles SE of Livingston, Texas and 70 Miles north of Houston, Texas.

Deer, Fish, Bobcat, Fox, Squirrel, Raccoon, Coyote are wildlife that are taken in East Texas but Not the only taxidermy we do. We work with Taxidermist, Clients and Outfitters on a national level. We would like to earn your business and the opportunity to mount your next trophy and show you the care and detail that we put in to each piece of taxidermy art. We use only top quality materials and put forth every effort in order to achieve a beautiful mount. Every mount is treated as it were to be placed in our home.

We have had many satisfied customers over the years.
